HALLOWEEN  
DANCE FLYER

## A Message from Principal Shannon

Greetings Wallace School Family. I trust this latest edition of our school newsletter finds you well.

As the fall season kicks into high gear, here are just a few things to look forward to in the coming weeks. On Friday, October 21<sup>st</sup>, the Wallace School PTO will host our annual Halloween Dance in the Wallace School gymnasium. More information about this event is on the last page of this issue. We hope your child can come participate in the fun after school event. October 26 is a 1 PM dismissal day, with parent/teacher conferences to follow with two different time windows. After dismissal, parents will have the chance to meet with teachers to discuss student progress. Appointments may be made from 1:45 PM to 3:00 PM and from 5:00 PM to 6:30 PM. Parents are reminded that an appointment time sheet was sent home with students and we will

Mr. Shannon and Mr. Bartlett engaging parents while the PTO serves coffee on Friday, October 14

work to accommodate everyone's preference for meeting time. Also, our annual Halloween Parade will be held on October 31<sup>st</sup>. We hope you are available to come gather around the school and watch our students as they march in costume. More information about this event will be communicated in the coming weeks.

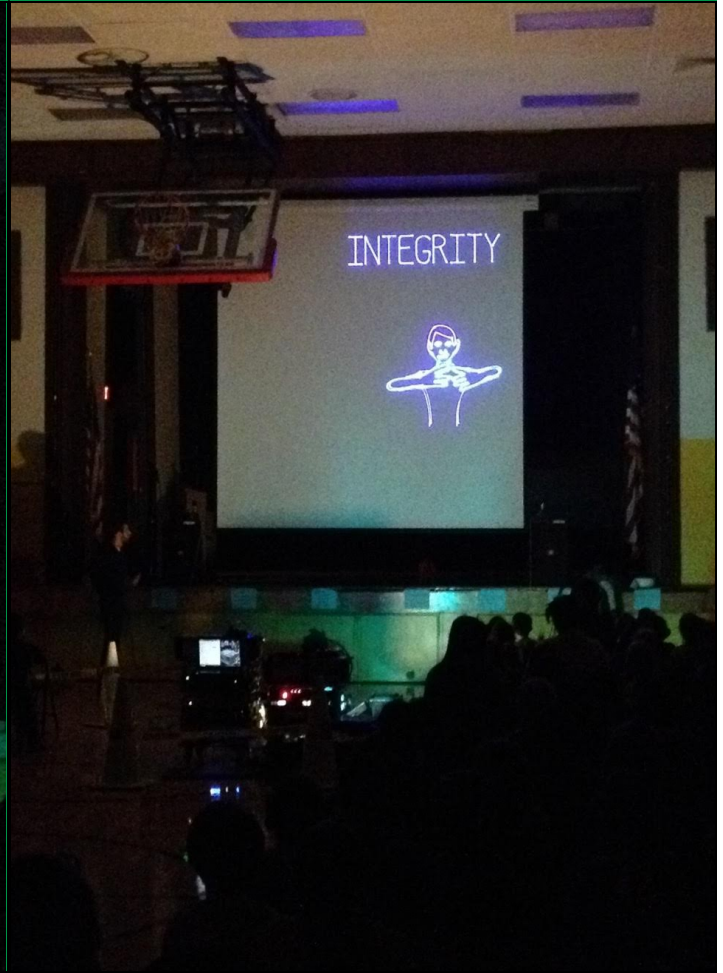

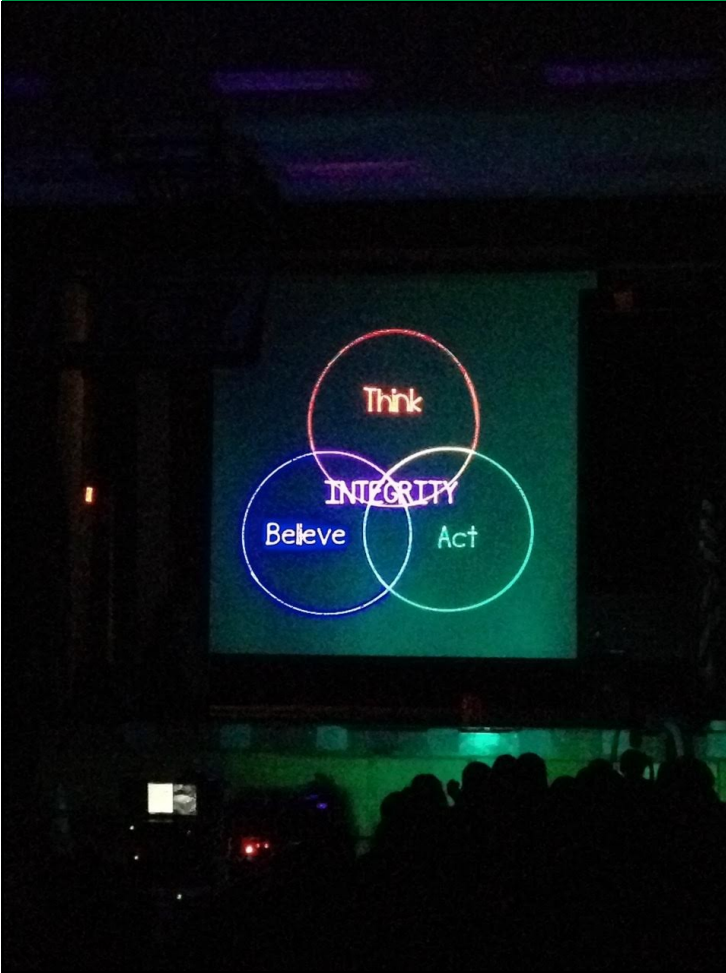

As always, we at Wallace appreciate the dedication of our parent community and

look forward welcoming you into the building once more. Our partnership in the development of our young scholars is crucial, and we hope you will have the opportunity to come. In the event you are not able to make it to Wallace on the scheduled day for conferences, you can always reach out to set an appointment with your child's teacher. As always, please enjoy your time this weekend with family and friends.

*Reminder—  
Wednesday, October 26th is a 1 PM  
dismissal day with scheduled parent/teacher  
conferences to follow.*

# Students Wowed By Laser Light Show

Courtesy of the Wallace School PTO, all of our students were treated to a laser light spectacular with an anti-bullying message. Students gathered in the gymnasium to see the show presented by Prismatic Magic, a company specializing in school-themed presentations. The students especially enjoyed the last few minutes of the show, complete with a pop song sing-a-long.

According to the website for Prismatic Magic:

*Laser Team* shows students that their school is a team and gives students a fresh perspective on why bullying and cyber-bullying, or even just standing by when someone else is bullied, is so detrimental. The program reinforces the key attributes that make for successful teams: respect, integrity, generosity, honesty, and truth.

By integrating a dynamic live presentation with an exciting laser show, *Laser Team* is ideal for today's visually-oriented learners, ensuring it has a lasting positive impact.
